LOS DOS OMBLIGOS | musica: Sergio Fabian Lavia letra: Ruben Mira

Dice la madre de Juan que Juan tiene dos ombligos
uno en medio de la panza y otro en medio del destino

Que amargo el dulce Juan con la mentira de turno
que dulce el amargo Juan con la risa de los suyos

Que gordo está el flaco Juan cuando hay pan para el amigo
que flaco está el gordo Juan si no comparte su vino.

Dice la madre de Juan que Juan tiene dos ombligos
uno en medio de la panza y otro en medio del destino

Que feliz el triste Juan cuando nacen Juanes nuevos
que triste es el feliz Juan si un Juan no el longevo

Como escucha el sordo Juan cuando canta su bandera
que sordo se escucha Juan cuando ladran los de afuera

Dice la madre de Juan que Juan tiene dos ombligos
uno en medio de la panza y otro en medio del destino

Que pobre es el rico Juan de tan joven ya tan viejo
que rico es el pobre Juan de tan sabio ya tan chueco

Juan es pueblo de mi patria Juan es mi suelo argentino
con un ombligo en la panza y otro en medio del destino
