

Saudalgia IV

Gota a gota

Miles de modos de caer a tierra o de caer, a gotas

Permanecer en la caída

Solamente caer, como en un sueño, gota, gota

Guitarra, tambora, caja

Gota

Gota de tango. Mínima. Absoluta

Gota, gota

Como lluvia de trópico o porteña

Hasta que silencio

Y gota

Saudalgia IV

Drop by drop

Thousands of ways of falling to the ground or falling by drops

To remain during the fall

Only falling, as in a dream, a drop, a drop

Guitar, tambour, soundboard

A drop

A tango drop. Minute. Absolute

A drop, a drop

Like tropical rain or Buenos Aires rain

Until there's silence

And a drop
